WAYS TO CELEBRATE WORLD INDUSTRIAL DESIGN DAY 29 JUNE 2013

There are many ways to celebrate World Industrial Design Day; events such as sustainability workshops, exhibitions, international symposiums on socially responsible design, webcasts, free admission to museums to name but a few. If you are looking for some ideas to help you start planning for an event, here are some suggestions for you to consider.

about

The International Council of Societies of Industrial Design (Icsid) is a non-profit organisation that protects and promotes the interests of the profession of industrial design. Founded in 1957, Icsid serves as a unified voice of over 50 nations through which members can express their views and be heard on an international platform.

YOUR NEXT BIKE RIDE

Bikes are probably the most convenient and ecological means of transportation in the city during warm seasons. Most bicycles have a similar diamond frame, but more and more designers are experimenting with shape and materials which add value to our riding experience. In this blog article, Icsid explores bike designs for your next ride.
